

World Café

email: optimalaging@louisville.edu • call: (502) 852-5629

What's It About?

Join KIPDA and the UofL Institute for Sustainable Health & Optimal Aging to talk about the results of the most recent regional needs assessment. We will be working together to discuss access to KIPDA services and how communities can be supported while aging!

You're Invited!

Any resident of the greater KIPDA region (Bullitt, Henry, Jefferson, Oldham, Shelby, Spencer, or Trimble Counties) is invited to these World Cafés. We want to hear input from any resident interested in planning for the area's aging population! We welcome input from providers, caregivers, and residents.

What's a World Café?

A World Café is a community discussion on a topic. Over light refreshments, we will discuss the results of our survey, brainstorming solutions to questions, and work together to find a path forward addressing our community needs. Come prepared with ideas on how to grow and strengthen your community!
